

Ellajoy Marie Calderon

Junior Software Developer

About Me

Hello! I'm Ellajoy Marie M. Calderon. I am passionate about making a program especially using the Java. I am skilled **software programmer** and master of software tools platforms such as Wix and WordPress. I use for my troubleshooting is StackOverflow. I am quick learner and a team worker that gets the job done.

I can easily adapt to any environment with different colleagues in a short time.

Bio

📄 Age	21
📄 Email	201880441@pssu.palawan.edu.ph
📄 Phone	+639-1029-87535
📄 Address	Brgy. Iwahig, Puerto Princesa, Palawan, Philippines

Key Skills

- Capable of both front-end and backend developer
- Proficient in Java, C# and C++ Languages
- Critical thinker

Work Experience

- Junior Web Developer** at Puerto Princesa City Jail
March, 2021 - Present

Develop a tracking database for transporting inmates to different places outside the province for creating accurate escape routes.
- Graphic Designer** at Design Studio
November, 2019 - October, 2020

During my 1st and 2nd year I was a volunteer here where the aim was to "Prepare the jobless person to do better jobs in this technology world" and I helped the team and many people to reach the goal.
- Intern Web Developer** at Puerto Princesa City Hall
Jan, 2018 - May, 2018

I was told to observe what is the true meaning of being a developer. In this immersion, I learn many things that books and the school can teach. It was a fine experience.

Education

-  **Bachelor of Computer Science** from Palawan State University
2018 - Present
-  **Senior High School** from Center for Positive Futures
2016 - 2018
-  **Junior High School** from Palawan National High School
2012 - 2016
-  **Grade School** from Iwahig Elementary School
2006 - 2013
